

1.3.1 Organisation erstellen

Sie können eine Organisation erstellen, indem Sie auf die Schaltfläche "Organisation hinzufügen" klicken.

This opens a new dialog, where you have to set your unique organization name.

The dialog box is titled 'Create organization' and contains the following text: 'An organization contains projects, users (who can be assigned to teams or can have access rights), and payment information.' Below this is a label 'Organization name' followed by a text input field. At the bottom right, there are 'Create' and 'Cancel' buttons.
