

5.81 LV Ausmassprotokoll Filter Suche

Values can be filtered using filters and by clicking on the filter icon in the column:

The screenshot shows the 'LV Ausmassprotokoll' application window. At the top, there are several checkboxes: 'Nur sichtbare Elemente anzeigen', 'GUID', 'Farbwechsel', 'Filter' (checked), and 'Bearbeitungsmodus'. Below these are buttons for 'Spalten', 'Ansicht', and a refresh icon. The main area is a table with columns: 'Arb.', 'NPK', 'Pos.', 'Bezeichnung', 'Eh.', 'Einheit', 'Stk.', 'm3', 'm2', 'm', 'Menge', and 'Position'. A red arrow points to the 'Pos.' column header, which has a small filter icon. Another red arrow points to the 'Filter' checkbox in the top bar. A dialog box titled 'Filter Pos.' is open, showing a search bar with the text '^2*|'. Below the search bar is a list of items with checkboxes. The first five items are checked: 271.1, 271.101, 271.102, 271.103, and 271.104. The next five items are unchecked: 641, 641.2, 641.21, 641.211, and 641.212. The last item is partially visible: 641.213. The dialog box has 'OK' and 'Cancel' buttons at the bottom.
